GET IN THE GAME

If you love footy, you'll love being an umpire. Not only do you get the best view of the action, you also get paid for the privilege. It helps keep you fit, you get to be part of a team and you can learn leadership skills that you can take with you when you walk off the ground. They call it a job, but really, whether you're a Field, Boundary or Goal Umpire, it might just be the most fun you can have at work.
